Dear Sir:

Amendment To The Specification

Resubmitted *Exhibit 2* presents all amendments to the specification.

REMARKS

Applicant has filed on June 24, 2008 a response to our office action containing an Exhibit 1, Amendment to the claims, and an Exhibit 2, Amendment to the Specification. Applicant has now noted an inadvertent mistake in Exhibit 2 of the previous amendment, where, in Table 5, there was no showing that the term "cobaltacene-oct gomet," was deleted (by strike-through) nor indication that "cobaltocene-octomethyl" was added. The enclosed version of Exhibit 2 corrects the inadvertent mistake in Table 5.

Should the Examiner determine at any time during prosecution of this application that a telephone conversation with Applicant's representatives would be useful to clarify or expedite matters, she is invited to call the undersigned.
